

aodknowledgebase.wanada.org.au

AOD Knowledgebase is an accessible, relevant and useful online document and links resource for alcohol and other drug services.

The alcohol and other drug sector delivers quality services to the community. AOD Knowledgebase assists WANADA members and Accreditation Framework participants to achieve accreditation, to work on continuous quality improvement, to build sector capacity and to collaborate.

AOD Knowledgebase –

- ◆ contains example policy, procedure and guidelines contributed by WA AOD agencies
- ◆ includes useful links to legislation, strategies, clinical guidelines and research
- ◆ relates directly to the Accreditation Framework, including the culturally secure standards
- ◆ gives members an opportunity to share ideas, knowledge and expertise from the AOD sector
- ◆ showcases the professionalism and experience of the alcohol and other drug sector

Agency workers access AOD Knowledgebase via a secure username and password at aodknowledgebase.wanada.org.au

For more information about how to access AOD Knowledgebase, or to contribute documents and links, please contact WANADA on 6365 6365 or via aodknowledgebase@wanada.org.au
